

What Is Special Olympics?

Special Olympics provides year-round sports, fitness, and leadership opportunities for children and adults with intellectual disabilities. Our athletes build confidence, make friends, discover new strengths, and find a community that celebrates them for exactly who they are. Every practice, every game, and every high-five creates a place where inclusion isn't just talked about—it's lived.

Why We Need Your Support

Your support makes all of this possible. Special Olympics programs are offered at no cost to athletes or their families, and we rely on community generosity to provide uniforms, equipment, facility rentals, travel, and trained volunteer coaches. When you support Special Olympics, you are not just donating—you are helping an athlete step onto the field, meet a new friend, learn a new skill, and shine with pride.

Together, we create opportunities.

Together, we change lives.

Thank you for being part of the team.

Special Olympics Athlete's Oath:

cannot win, let me be
brave in the attempt.”**
